Offer of Admission

Dear Ms. Okonkwo,

On behalf of the Graduate Admissions Committee, I am pleased to offer you admission to the Master of Science in Environmental Engineering program at Greenfield University, beginning with the spring semester.

Your department will contact you separately about course registration and your academic advisor. Information about orientation, housing and student services is available from the Office of Graduate Admissions.

Congratulations on your admission. We look forward to welcoming you to Greenfield.

Sincerely,

Dr. Helen Marsh
Director of Graduate Admissions
